Information Security Policy

Version 3.1. Approved on January 20, 2026 by the General Manager. Owner: Carlos Ruiz Treviño, IT Manager.

Scope: all employees, contractors and systems of Manufacturas Alfa Demo, including the ERP, email, file servers and production control computers.

Access control

Passwords must have at least 12 characters and include uppercase letters, lowercase letters and numbers.

Passwords must be changed every 180 days.

Multi-factor authentication (MFA) is mandatory for remote access and for administrator accounts.

User accounts are locked after 5 consecutive failed sign-in attempts.

Access rights are reviewed every 6 months by each department head.

Incident reporting

Any suspected security incident must be reported within 24 hours to security@alfademo.example or to IT extension 2040.

Lost or stolen laptops and phones must be reported immediately, and no later than 2 hours after the loss is noticed.

Review and sanctions

This policy is reviewed every year by the IT Manager. Violations may lead to disciplinary action according to the internal work regulations.
